[EARLY KB INFO] OLD GLOBALISTS VS NEW GLOBALISTS

- Old globalist groups want to oppress/enslave humanity, and Younger globalist groups want transhumanism and technological progress to better humanity. George Soros is old school, but has made enemies of young and old alike.
- The older globalist groups are dying out/retiring, and the newer ones (who want better advancements in tech & people being proud of the places they come from) are gaining more traction. The OWO (Old World Order) is falling apart, and a NWO (New World Order) is breaking through.
- Agenda 21 and 24 and similar plots are OWO globalist operations.
- Soros' endgame is to take down the West & cause WW3 in some shape or manner.
- The majority of Globalist groups/global power structures come out of the US & EU

[07NOV16] "NOAH's ARK" CLASS BUNKERS

- "Noah's Ark" Class bunkers are a classification of Globalist bunkers that can handle some serious shit.
- Problem is that they are still only concepts. The 2012 movie Bunkerships were showing one of the many concepts.
- Why am I bringing this up now?
- Because of Hillary gets into power, you better get into contact with people that have Bunker access and knowledge.
- We have 48 hours, lets make sure the Queen of Death (Hillary) doesn't get nuclear power.

[09NOV16] HILLARY LOST: THE GLOBALISTS SCREWED THEMSELVES

- The Globalists screwed themselves, and they only have themselves to be mad at and to blame.
- Let me explain.....
- They backed Hillary, who is damaged goods, a risk, a liability & has a tendency of backstabbing people. She is someone who has so much corruption, that it if you were to look for it, it would be like taking a metal detector in a junk/scrap yard..
- Then they doubled down, to a point where they exposed themselves. This is like playing Poker/cards and then doubling down on a bad hand when everyone at the table has figured out the hand is bad.
- The Globalists have no one to blame but themselves, and can't be mad at anyone else but themselves.

[17NOV16] AREAS OF FOCUS (HOW TO DEFEAT THE GLOBALISTS)
- In order to defeat the Globalists(who like to work on multiple fronts), you have to target different things of the same operation simultaneously.
- 1) Ending the EU & Freeing Europe (The EU's purpose is to destroy Europe and replace its demographics)
- 2) Exposing George Soros to the masses and making his history/actions well known.
- 3) Getting the information out to the public that SJW/Feminists/Left have Frontal Lobe Disorder (which is the result of Frontal Lobe damage).
- 4) Destroying the MSM (if the MSM doesn't destroy themselves first) and boosting the alternative media.
- 5) The Pizza in Hollywood would destroy the public's perception of Hollywood if it was uncovered.
- The best part about beasts like this is that there are many arteries that you can make bleed out.

[19NOV16] "CLIMATE CHANGE," MULTICULTURALISM AND DIVERSITY
- All 3 ("Climate Change", Multiculturalism & Diversity) are designed to bring down the West.
- "Climate Change" is for justifying de-industrialization & mass eugenics.
- Multiculturalism and Diversity are for demographically replacing the Wests populations with more controllable people.
- Notice how all 3 are being done to the West.....while at the same time being promoted/exported by the West.
- The UN also plays a key role in all 3 (I'll talk about the UN in a separate Knowledge Bomb).
- Something very telling about all 3 is that if you speak out against them & the agendas they are pushing, you get demonized, attacked and many other things.

[16DEC16] SOME "GLOBALIST INNER CIRCLE" NEWS
- If you think the Left & MSM freak out over Trump winning is a sight to see, you should see/hear whats going on with the Globalists/Globalists who fund them & are mad Trump won. They are generating enough salt to make truckloads of Oysters Rockefeller.
- The Globalists/Globalist groups who are mad about Trump winning are acting so irrationally stupid & everything they try keeps backfiring on them..... they are becoming embarrassments in the Globalist community for there behaviors.
- Lets put it this way, they are acting so utterly stupid, that globalist groups on different spectrum ends who normally wouldn't talk to eachother, are laughing together about it. Also they are starting to distance themselves from the irrational group/members.

- Now there are globalists/globalist groups who don't like Trump, however.... they are not freaking out and acting irrational about his win. ("We have standards & don't throw a tempter tantrum, when things don't go in a way that we like")

[04Jan17] DISCOMBOBULATED GLOBALISTS
- Globalists/Globalist Groups have so many plans (and in some cases members who have there own plans) going on, that toes tend to get stepped on & they start to mess with each other directly and/or indirectly.
- For instance, Globalists are trying to pull back from the US to reinforce the EU. However, they already have multiple plans going on in the EU compromising there fall back/re-position plans.
- The Globalist community isn't just "the jews" as many of you have been lead to believe. it consists of many many groups that have alot going on & different motivations/purposes. There are Mergers, take overs, retirements, power plays, coups, infiltration, sabotage civil wars, wars, dozens to thousands of plans (varies between groups/people) etc happen behind the curtain as much as the world stage.
- The old globalist whale system is bleeding, and the newer globalist sharks of the new systems are going to take advantage of that and with each bite (depends on the shark size, including megalodon size) they will be shuffling power structures and regional controls among other things.
- In the long term, making sure Trump is protected & successful during his terms in office will benefit people on both sides of the curtain dividing the world stage(The public systems/existence) from the back stage(Globalists systems/existence) due to positive changes & clean outs.
- The point I'm trying to make is that the as interesting as the World Stage is, the Backstage is also quite interesting as time goes on

[19JAN17] THE JOKER (THE LEFT) VS THE BATMAN (THE RIGHT)
- Look at the designs/appearances & actions/motivations of the characters.
- They very much reflect The Left & The Right.
- The Joker (The Left) wants Chaos & Death (including death of himself).
- The Batman (The Right) wants Justice & to keep things safe from people like The Joker (The Left).

[22JAN17] WHAT THE GLOBALISTS DO WITH/TO THE LEFT AND THE RIGHT

- The Globalist use The Left as a destabilization movement, destroying society both figuratively & literally. The Left in the grand scheme are useful/expendable Idiots, but The Left have killed many millions in History. They are extremely volatile & even will turn on themselves.
- The Left are made progressively (and are moving to be) more Radical to the point they are becoming Terrorists & working with Islamic terrorists to destroy the West (which we are starting to see now due to the results of multi-prong Social Engineering) . Soon you will see terrorism committed by The Left. They are an internal/traitor force working with foreign threats to destroy the Tribe of the West.
- Meanwhile, the Globalists use The Right as a "clean up" operation of The Left when needed, The Right is handled differently & what is done to it is different.
- The Right is kept contained/held back & passive/non-violent, exploiting their Morals & good natures. It is done because The Right gets progressively more battle-hardened & more aware of tactics being used against it (such as to try to break it up) overtime, making them able to resist Globalist actions significantly more then the general population & most certainly The Left.

[07FEB17] HOW SOME OF THE US/EU GLOBALISTS SCREWED THEMSELVES
- In the 2016 Election they over-committed/extended, and that ended up being the straw the broke the camels back for some of them. Before the 2016 Election, they were declining for various reasons (such as newer/other globalist & tech). They had so much riding on Hillary getting in that when she lost, it messed them up.
- Which is why you are seeing them working with Asian Globalist groups (This relates to the Rise in China & all the regional power plays around it) now. Expect some eventual double crossing on both sides. Especially since the US/EU Globalist groups (Who are working with the Asian ones) need the Asian Globalist groups more then the other way around. The EU/NA Globalists involved also screwed themselves in a way if the Asian Globalists cross them, take them over or go after them, due to them burning many bridges with US/EU Leaderships and other EU/US Globalist groups.
- As for Soros (George & Alex), Destabilization is what they do. US & EU destabilization efforts are still going on & en progress. They see chaos as an opportunity & a business.

[23FEB17] THE SOROS
- The Rothschild's focus on Banks/Finance. The Rockefellers focus on Business. The Soros focus on Destabilization.
- Destabilization is a business for The Soros. While the CIA destabilizes governments for the US government, The Soros destabilizes countries/regions for other Globalists.(Which means if

you bring The Soros down, you bring those Globalists down).
- Color Revolutions/Coups/Civil Wars are all tactics The Soros use. Funding hundreds of protest networks and using PMC/Black Op's forces to cause fighting between countries & creating feelings of unrest are just the norm for The Soros depending on the operation.
- George Soros needs no introduction at this point. Its his whole family (not just Alex) that needs more spotlight.
- Alex Soros is being groomed to take over Georges operation. He's been quite active in the US operations going all the way back to BLM, even being on the ground in the Protests (He blends in with the other Numales/Beta's) helping with organization/supervision directly. (Alex also has a personal hatred of Milo, which is why he was at Berkeley helping the other protest/riot organizers & why some Soros money/connections were involved in the smear campaign against Milo).
- Now The Soros aren't the only group that does destabilization, but they are the largest. Which means that if they were removed, it would create a power vacuum that would reveal many different forces and individuals.

[27MAR17] GLOBALIST REGIONS
- This is going to go over all Regions the globalists operate in and/or originate from (depending on the group).
- 1) North America (US/Can/Mex have relations. However, US is the Primary, Can is connected to the European ones & Mexico with the South American ones)
- 2) Europe (UK/Mainland Europe/Russia have relations, However, Mainland Europe is the Primary that has battled for control of Europe with the UK(which is a secondary Primary) over the years. Russia tends to either be working with Mainland Europe or doing its own thing. (This naturally has varied over the years with the WW's, Conflicts, etc))
- Turkey is between Europe & the Middle East, which makes it a powerful location.
- 3) Middle East (SA/Israel/Misc Arabic have relations. SA & Israel are Primary's that tend to fight over regional influence/direction. Misc Arabic consists of all other Muslim Countries in the Middle East for a wide variety of things & with many different connections)
- 4) Africa (North Africa/South Africa/Misc Africa have relations. North Africa (From Morocco to Libya/Egypt) would be considered the Primary due to the connections to Europe & Middle East. South Africa is the second Primary. Misc Africa has been cutting resource deals for years to all Regions, and just recently some big ones for Asia/China.)
- 5) Asia (China/SK/Japan/Misc Asian have relations. China is the Primary, SK & Japan have connections to the North America ones & the Misc Asian have connections to SK/Japan & China)
- India is also a place that is rising in power & will soon be battling with China in relation to Regional influence. Australia (which is connected to the UK) also factors into Asia.

- 6) South America (Brazil/Panama/Misc South have relations. Brazil is the Primary, Panama (due to the Canal) is a second Primary. Misc South exists, but is in a total mess)

[17APR17] GLOBALIST ROLES
- Globalists/Globalist Groups don't all do the same things in the Globalist Community, which is why its important to Identify & Categorize the Roles they do so you can map out the Globalist Community.
- Here are some of the main Roles:
- 1) [Finance/Economics]
- 2) [Business/Industry]
- 3) [War/Destabilization/Security]
- 4) [Media/Entertainment]
- 5) [Medical/Science/Technology]
- Beyond the "mainstream names" (Rockefeller,Rothschild,Soros) there are Individuals & Groups that specialize in Roles. While others do multiple different Roles at the same time & some fill Roles in Globalist Structures.

[30APR17] THE GLOBALIST ENDGAME
- This is the Globalist Endgame plan:
- 1) [Destruction of Family, Race, Sex, Sanity, Culture/History, Reproduction,etc]
- (This is already pro-actively being done by various methods & groups to dehumanize Humanity by making it a bunch of drones that have, create & are Nothing.)
- 2) [Ending of Religion & Physical Currency]
- (All Religions are ended in order to establish/create a World Religion of Technology to push & pave the way for Trans-humanism. Physical Currencies are phased out in favor of Digital Currency to make it so Humanity can never "hold" its value/worth.)
- 3) [Trans-Humanism]
- (Merging of Man & Machine is very important to the Globalist Endgame plans. Trans-humanism (AI/Robots/Cyborgs/Artificial Wombs/Bio-Mechanical) allows Globalists to live on, create Army's & control the direction/fate of Humanity. HR Giger was killed due to what he showed.)
- 4) [Global Government & Elimination of Humanity]
- (Global Government is established & the planet is divided into "zones" that Globalists control (Agenda 21 & 24 are part of this). Humanity's numbers (this also includes Non-vital/important Globalists & Globalist personnel) are then reduced from few to 0 due to Bioweapons & Robots/AI/Cyborgs/Bio-Mechanical.)
- 5) ["Battle/War of the Gods"]

- (Globalists engage in massive conflict/battle with Army's & Weapons to see who deserves to "ascend". After the "deserving ones" are figured out and get to the Crafts/Ships, the Earth is then purged of any & all remaining life that the conflict/battle didn't wipe out.)
- 6) ["Ascension to the Stars"]
- (Surviving Globalists use special Craft/Ships to leave the Earth and go into Space, some of the Crafts/Ships have Seed & Genetic Vaults)

[12MAY17] GLOBALIST STRUCTURES
- To understand the Globalist Community/Power Structures better, it's important to figure out & understand the organizational Structures they use so you can identify which Group is using/doing what & why.
- The organizational Structures of Globalist groups tend to usually/commonly fall into these categories:
- 1) [Business/Corporate]
- 2) [Military]
- 3) [Cult/Religious]
- 4) [Secret Society]
- 5) [Traditional/Cultural]
- Variants (such as Regional) & Mixes of these organizational Structures exist. Compartmentalization of various degrees is also present in & around these Structures.

[22MAY17] GLOBALIST SYMBOLS
- For many different reasons Globalists and other groups use Symbols/Symbolism. The purpose & interpretation of them can vary. So can what is used for/as the Symbols.
- Here are some of the reasons why they use/do it:
- 1) [Communication]
- (To the group itself, other groups & the portions of the public that are Aware/"in the know". This is also used in MSM/Media/Entertainment/Pop Culture & even in some Events)
- 2) [Territory]
- (Current or former groups marking where they are/were and/or where they operate(d) out of.)
- 3) [Subliminal Messaging/Mind Control]
- (Used as Psy-Op's against other groups, Indoctrination/Control of its Members & Brainwashing/Control of the Public)
- 4) ["Magic"]
- (It's existed for long before "Meme Magic" was figured out. The "Illuminati Card Game" is an example of this)

[25MAY17] DOMINO DESTABILIZATION

- Domino Destabilization is a Regional Destabilization tactic where multiple country's are destabilized to cause/create large movements of people & reshape the Regions. Cities in country's are also used like charges in controlled demolitions to bring down Country's.
- Some examples of Domino Destabilization are:
- 1) [Middle East destabilization to flood Europe.]
- ["Arab Spring"-> Egypt -> Libya/North Africa -> Syria -> Turkey]
- Europe (primarily Western Europe) is being pincered. African Migrants from the Sea (From Libya/North Africa) & Islamic "Refugees" from the Land (From Syria/Middle East/Turkey).
- In true "Order from/by Chaos" fashion, this was done to create enough of a Crisis that the EU could justify making, using & deploying the EU Army (To stop country's from leaving/resisting the EU & to make the EU last longer).
- 2) [South America destabilization to flood North America.]
- Just like what is/was going on in the Middle East, a very similar operation is going on in South America to create a Crisis equal, if not bigger, then what Europe is experiencing.
- Mexico would turn into a "Syria". US would implode & Canada would fall.
- The "Order from/by Chaos" out of this, is the formation of the NAU(North American Union) & SAU(South American Union).

[15JUN17] GLOBALIST "UNIONS" FOR THE WORLD

- This is talking about all "Unions" that exist or are planned for the Global Chessboard. (Not what will create some of them. That is for a different thread):
- 1) [NAU (North American Union)]
- (North America)
- 2) [SAU (South American Union)]
- (South America)
- 3) [MEU (Middle East Union)]
- (Middle East)
- 4) EU (European Union)]
- (Europe & eventually Western Russia (since it would be split in half, with the other part going to the ASU))
- 5) [ASU (Asian Union)]
- (Asia including Australia/New Zealand. Eastern Russia (since it would be split in half, with the other part going to the EU) would be part of it))
- 6) [AFU (African Union)]
- (Africa)
- 7) [AU (American Union)]

- (North & South America)
- 8) [EAAU (Euro-Afri-Asia Union)]
- (Europe, Africa & Asia)
- 9) [GU (Global Union)]
- (Every single Continent. Total World Government)

[22JUN17] DIFFERENCES BETWEEN NATIONALISM/POPULISM, COUNTRISM AND GLOBALISM
- 1) [Nationalism/Populism] (Caring about the survival of the People & Country)
- Nationalism/Populism is about supporting the People & the Country. This tends to cause Nationalists/Populists to be in conflict with Countrists (Country Only) & Globalists (World & Regions Only) over the fate/direction/continuation/existence of the Country & People.
- 2) [Countrism] (Caring about the survival of the Country Only)
- Countrism is about supporting just the Country (not the People, who can be replaced demographically). This tends to cause Countrists to be in conflict with Nationalists/Populists (People & Country) & Globalists (World & Regions Only) over the fate/direction/continuation/existence of the Country.
- Countrists are either on the same level of Globalists (Competition and/or working together depending on the goal, similar to Elites) or they act as "middle men" between Nationalists/Populists & Globalists (Similar to how Elites act as "middle men" between Globalists & The Ones).
- 3) [Globalism] (Caring about the World & its Regions)
- Globalism is about supporting the World & its Regions (not the Countries & People, both of which can be eliminated as part of bigger plans). This tends to cause Globalists to be in conflict with Countrists (Country Only) & Nationalists/Populists (People & Country) over the fate/direction/continuation/existence of the Countries & People.
- Some Globalists want Borders for Regions (Not Countries themselves), while others (Humanists, which are different from Trans-Humanists which are Technology focused) want no Borders at all.

[30JUN17] ORDER BY/FROM CHAOS VS CHAOS BY/FROM ORDER
- 1)[Problem Reaction/Response Solution (PRS)]
- PRS is directly connected to the "Order vs Chaos" dynamic/system. Understanding PRS allows you to see how/why/when/where things are done. If it's Order/Chaos/Mixed & figure out if it was organically stimulated/created or artificially stimulated/created.
- 2) [Order by/from Chaos]

- A Crisis/Conflict/Destabilization (Chaos) happens and/or is created/manufactured. Then things are Stabilized with "saviors & solutions" to enforce/create it. (Order)
- 3) [Chaos by/from Order]
- A Stable Region/System/Organization/Government (Order) gets/is Destabilized by a Crisis/Conflict (Chaos) of some kind.
- 4) [Relationship between Order & Chaos]
- Order & Chaos is a Cycle/System. Globalist Groups/Power Structures have always had Conflict due to some preferring Order & others preferring Chaos when it comes to getting Agendas/Plans done.
- If you have too much Order, things tend to implode due to battles over Control. If you have too much Chaos, it cannot be Controlled and will backfire on you. This is why a balance between them is needed & why "Controlled Demolition" Chaos is preferred, rather then "Random Collapse" Chaos.

[23AUG17] THEY LIVE
- Much like the Truman Show(http://archive.4plebs.org/pol/thread/107255602/#107255602) this Movie had something to reveal.
- Subliminal Messages/Images are hidden in all forms of Media(TV,Print,Movies,etc). The public is completely bombarded with them & somewhat controlled by them.
- Corporations, Governments & Others have been using them for a long time. The History of Hidden/Subliminal Messages/Images/Codes should be looked into to better understand all the ways they can be and/or are done.
- Special Glasses can be made to “See” these things & they tend to look like Sunglasses. There are different models/styles/methods to them depending on what is trying to be seen:
- 1) [3D Glasses]
- (These essentially make certain stuff “pop out” when they are being looked at. The right color combination(s) are needed inorder for it to work)
- 2) [Electronic Glasses/Goggles]
- (Camera/Video can catch things that the eye cannot. These can be designed/made to see different things)
- 3) [Modified Sunglasses]
- (Special Lens can “reveal” things hidden by the light spectrum. The Movie gave some hints about them)
- Not only can you see the Subliminal Messages/Images with the Glasses, but you can see many other interesting things such as the difference between People & “People”.

[02SEP17] THE 2 FORMS OF GLOBALISM

- Globalism (Caring about the World & Regions) has 2 main forms. Combinations of the forms exist. The most (in)famous one is the Internet.
- Much like “Order & Chaos”, a balance is required/needed between them & Groups that specialize in them.
- 1) [Oppression/Control]
- This has more of an Authoritarian endgame/leaning.
- 2) [Prosperity/Progress]
- This has more of an Utopia endgame/leaning.

[13OCT18] GOOGLE IS CONTROLLED BY AN AI SYSTEM
- If you are wondering why Google has been increasing censorship it’s because the AI system that has been running the company has been influenced by both leftists and China(which has it’s own AI systems) to act the way it does.
- Google is not controlled by humans, but humans are using the machines to do their bidding.
- Take the banning/censoring of Alex Jones, it was the direct result of leftists manipulating the information the AI system was getting about him to get the AI system to ban/censor him.

[22MAY20] HUGE CLASSIFIED INTEL INVOLVING BILL GATES
- Event 201 was Bill Gates revealing the plan. “Pandemic 1” was/is Covid-19. “Pandemic 2”(Event 201 itself) will be a “bioweapon terrorist attack” using an even more deadly Bill Gates made Corona Virus. “Pandemic 3” will be the virus that kills Billions. It is possible that the Femin Virus was “Pandemic 0” to control the White population in the West.
- Bill Gates is actively developing/creating a virus that will kill between 4-6 Billion people. He has advanced security encryptions and secret personal private labs(not just the commercial and government labs he outsources to such as Wuhan/Fauci).
- Melinda Gates has very interesting family connections(much like how Bill Gates has IBM and Planned Parenthood family connections) and is a high level Satanist like Marina Abramovich, her rival.
- China, Trump, Fauci and Birx are all “fall guys” to shift the blame/focus away from Bill Gates involving Covid-19. China’s “One Child Policy” is directly connected to Bill Gate’s eugenics family history/plans.
- Bill Gates fears no one, because he knows from George Soros and his “super simp” son Alex Soros that Trump will not use the US Military to kill him. Bill Gates does however fear the Femin Virus mutations, some of which allow the infected to claw open armored vehicles such as SWAT BearCats/MRAPs.

[31AUG20] AFRICAN GENOCIDE PLOT

- There is a major Globalist plan to wipe out all Africans/Blacks globally. It's a combined operation between American and European eugenicists, and China. How they are getting the public on board with the plan is very impressive.
- First they radicalize the Blacks in America over a span of several decades(since the 60's) to hate Whites and to be "civil unrest" MKULTRA controlled to riot whenever they are ordered to do so.
- Then they flood Europe with African refugees and let them do whatever they want to native Europeans(The European countries that used to do Colonialism/Imperialism are now realizing they should have "cleansed" the ethnics of those African countries instead of breeding with them).
- They get China onboard with the plan since China wants to own/take over Africa.
